

This fascinating book follows the expeditions in Africa of Scottish missionary David Livingstone, to find the source of the Nile River, and British-American journalist Henry Stanley, to find the lost Livingstone. Historical information and high-interest fact boxes are presented in an appealing tabloid style that guides readers through major journeys, explorations, and discoveries. Topics include why Europeans were eager to explore Africa, how Livingstone lost touch with the outside world, Stanleys mission to find Livingstone, contact with local African peoples and Arab slave traders, and Livingstones eventual death.
