

REBEL COWS is an irreverent tale of feral cows making fools of the local ranching community, and upon discovery of radio, spend much of their time listening to the Boston Red Sox and NY Yankees battle it out for the American League Pennant in 2004. One day listening to National Public Radio they hear about "VEAL" which propels them to battle the likes of one-legged fringe tracker "Snake" Valentine as he tries to capture the Outlaw Cows while they stampede the ranches" building their bovine army in a valiant effort to free the veal calves. Twinkles, an old fermented grain swilling Bull, is reluctantly brought from his seclusion at the Hot Hot Springs in the Roberts Creek Mountains of Nevada by a gorgeous cow Tiffany, to lead the charge. Painted in the vivid colors of local geology, REBEL COWS wraps environmentalists and miners, ranchers and bureaucrats in their hypocritical best" slamming organized religion and government as the REBEL COWS stampede to free the veal calves at the Triple Hexa Ranch and Meat Co. adjacent to the operating open pit Triexa Gold Mine. Travel the ruggedly beautiful Nevadan landscape with the likes of the slightly retarded Boarnet twins, owners of the Butter Spread Ranch, Jake and prick Dennis Jansen, co- owners of the Bar JB Ranch, beautiful cowgirl Billy Sue and the seductively enterprising ex-hooker, Trixie, as the world witnesses the Rebel Cows break all the rules the day the "Curse of the Bambino" is put to rest.
