

Bosworth was not the bloodiest battle in history, but it changed the future of England forever. Recovering consciousness on the battlefield, Alex, seeing the devastation around him, knows the threat to his life is by no means over. But when the great lords of the land make war, everyone is at risk. The local population, the besieged villagers, the respectable wives and their daughters threatened with rape, the ravaged farmlands and the looted properties are considered simply "collateral damage. So Kate, frightened but defiant, dresses as a boy to escape the attentions of wandering soldiers, deserters and drunken victors. Henry Tudor claims victory and the throne. Alex fought on the wrong side and does not expect favour, but what he never expected was to discover the slaughtered corpse of his favourite cousin. Nor, once discovered, to become the principal suspect.

The Book of Common Prayer, and Administration of the Sacraments, and other Rites and Ceremonies of The Church according to the Use of The United Church of England and Ireland: together with the Psalter or Psalms of David. Cooke edition, Annual of Scientific Discovery: Or, Year-Book of Facts in Science and Art. 1865, On The Edge of Time, Mein Kampf: Originalausgabe (Mein Kampf von Adolf Hitler) (Volume 1) (German Edition), Geology: The Active Earth (Ranger Ricks Naturescope), Natuzzi.
