

The recent discovery of an archive full of personal documents of the philosopher and biologist Ludwig von Bertalanffy, founder of the General System Theory, paved the way for a reconsideration of important elements concerning his life and thought. This updated biography of a thinker, who is equally often cited as misjudged, takes into consideration all of his publications, his correspondence, as well as the secondary sources devoted to him, and attempts to reveal his richness and complexity to a general reader. This biography thus aims at initiating and promoting a study that is both critical and appreciative of his oeuvre. It equally seeks to navigate between two all too common pitfalls found in connection with von Bertalanffy: hagiographic temptation and reductive judgements, which are often ideologically motivated.

Simple Smoothology: The 10 best smoothies youll ever make..., Multinational Enterprises and the Global Economy, Second Edition, Guia y mapa de carreteras de Espana y Portugal 1:800.000 / Guide and Road Map of Spain and Portugal 1:800.000 (Mapa Touring / Touring Map) (Spanish Edition), But Im A Cat Person 2, Transport Law of the European Community (European Community Law Series), Lonely Planet Istanbul 7th Ed.: 7th Edition by Virginia Maxwell (Jan 28 2013),
