

The Royal Stuarts ruled for over 300 years in Scotland and for a century as the Royal Family of Britain and Ireland. They were leading actors in the foremost political dramas of British history - the Scottish Wars of Independence, the Union of the Crowns, the English Civil War and the Restoration - and remain the most controversial and divisive of royal families. Drawing on the accounts of historians past and present, novels and plays, Allan Massie tells the family's full story, from the salt marshes of Brittany to the thrones of Scotland and England, and then eventual exile. A book which gets beyond the received generalisations, *The Royal Stuarts* takes us deep into the lives of figures like Mary Queen of Scots, Charles I and Bonnie Prince Charlie, uncovering a family of strong affections and fierce rivalries, the brave and capable, the weak and foolish. Told with panache and pace, adventurous and opinionated, this is a nuanced history of that remarkable family who, for better or worse, shaped our history and made our country what it is.

Album Belgique (French Edition), Critique of Dialectical Reason I: Theory of Practical Ensembles, Victoria Justice: Televisions It Girl (Pop Culture Bios: Superstars), Augustus Earle: Travel Artist: Paintings and Drawings in the Rex Nan Kivell Collection, National Library of Australia, Seeing, Thinking and Knowing: Meaning and Self-Organisation in Visual Cognition and Thought (Theory and Decision Library A:), The Origin and Significance of the Great Pyramid, Virtuelle Unternehmen: Ein Leitfaden zum Aufbau und zur Organisation einer mittelstandischen Unternehmenskooperation (German Edition), Assessing Physically Disabled People At Home (Therapy in Practice Series), Flea Market Finds: Before and After (Leisure Arts #15916),

The Royal Stuarts has ratings and 59 reviews. Rebecca said: There are times when a book truly sucks, and this was one of them. Massie uses mostly fic.

In this smart history, Massie gives its due to the British dynasty that has long played second fiddle to the Tudors. A key Breton ancestor of the. This book raised questions before I had even opened it. What would it include? Just the core of the ruling Stuart British royal family, So to tell the story of this royal family from start to finish is to traverse a huge *The Royal Stuarts: A History of the Family that Shaped Britain*. At the end of his highly readable chronicle of the lives and loves of the Stuart family, arguably Britain's most successful royal dynasty, Allan. Exploring the family's lineage from the first Stuart king to the last, *The Royal Stuarts* is a panoramic history of the family that acted as a major.

Buy **The Royal Stuarts: A History of the Family That Shaped Britain** by The history of Great Britain is well-mined territory for many casual history readers with .
